Password should be 6 or more characters, must contain at least one letter, number, and special character

CREATE ACCOUNT

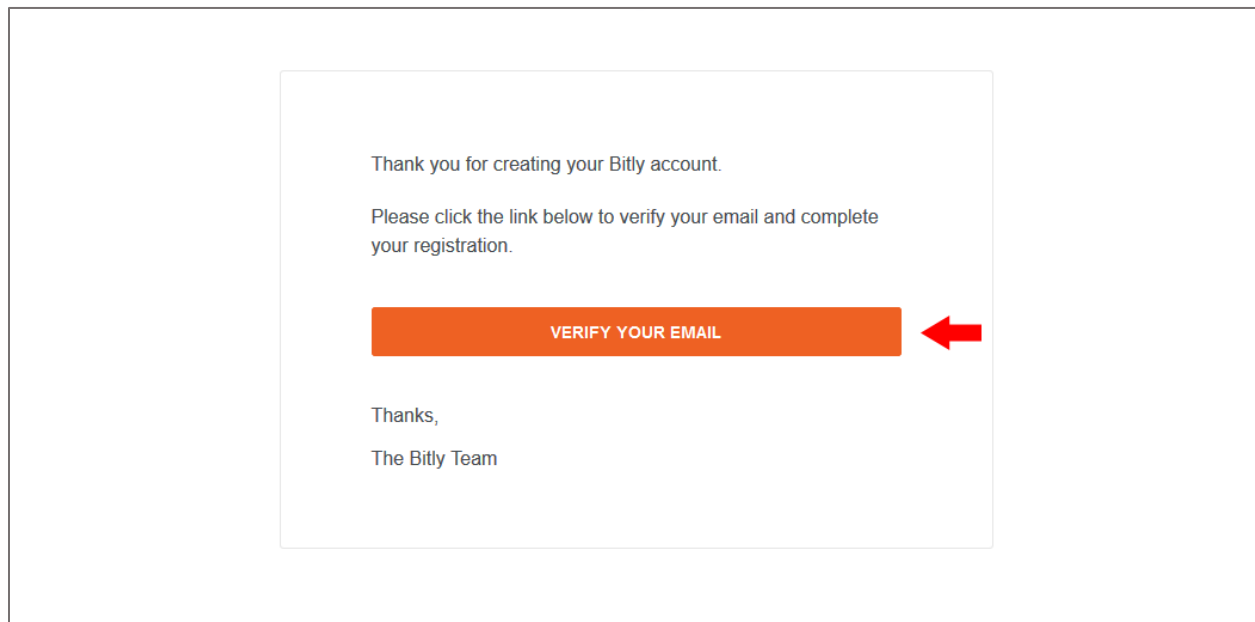

Upon registration, you will automatically be logged in to your Bitly account.

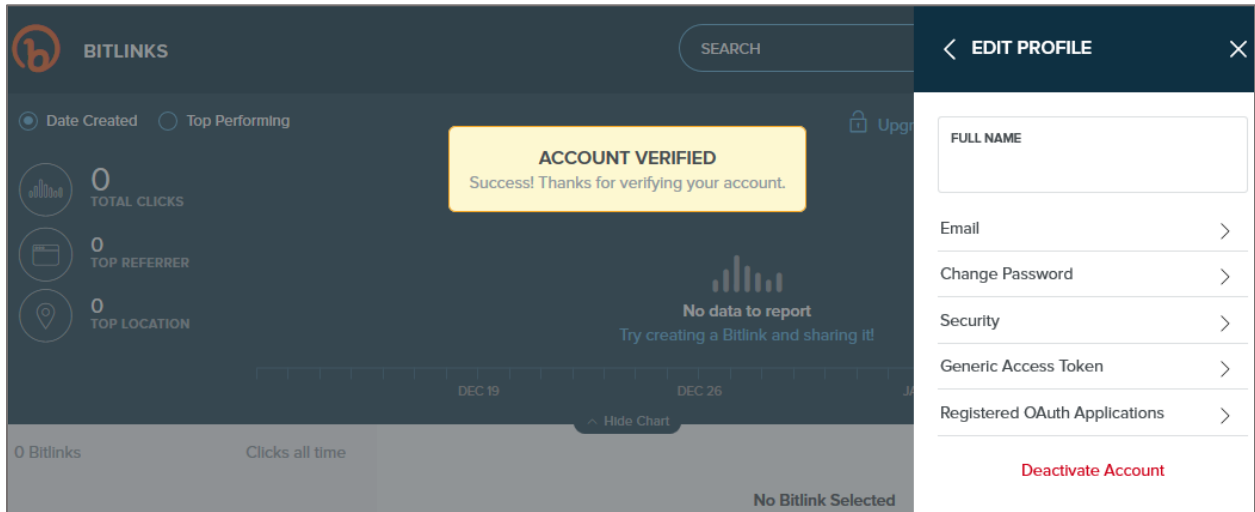

Make sure to verify your Bitly account before doing anything else. Login to your email account and find and open the email from Bitly Support containing your verification link.

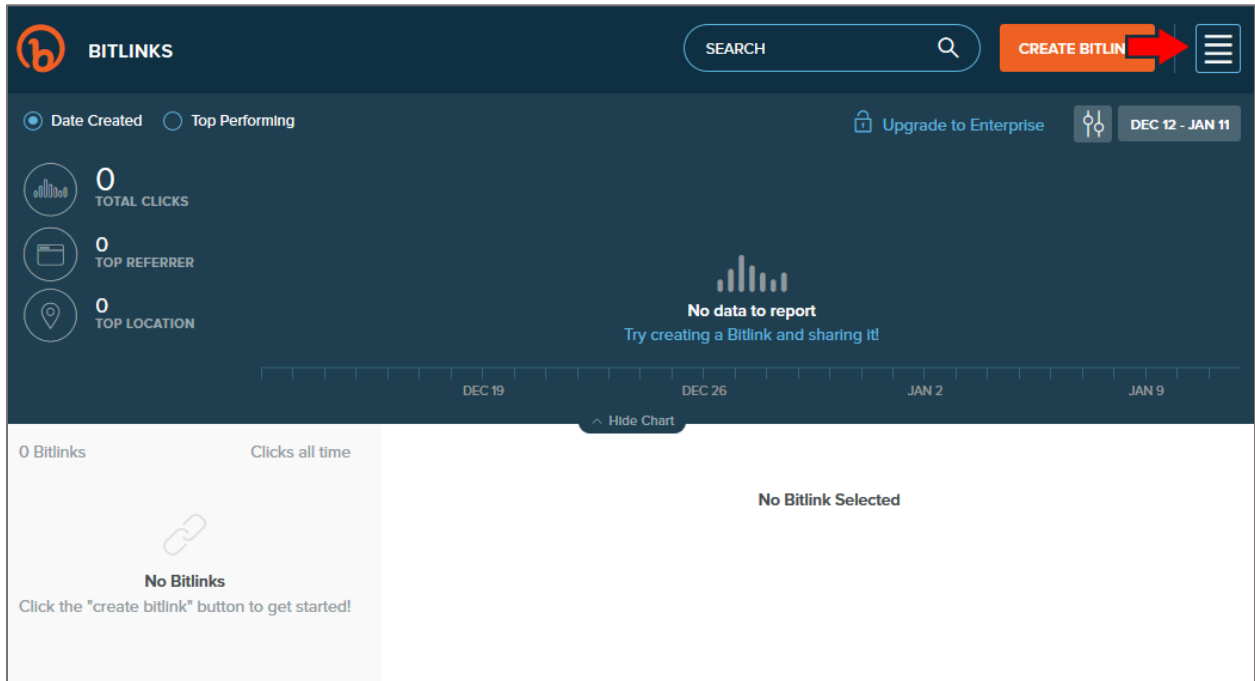

Click on "VERIFY YOUR EMAIL" button.

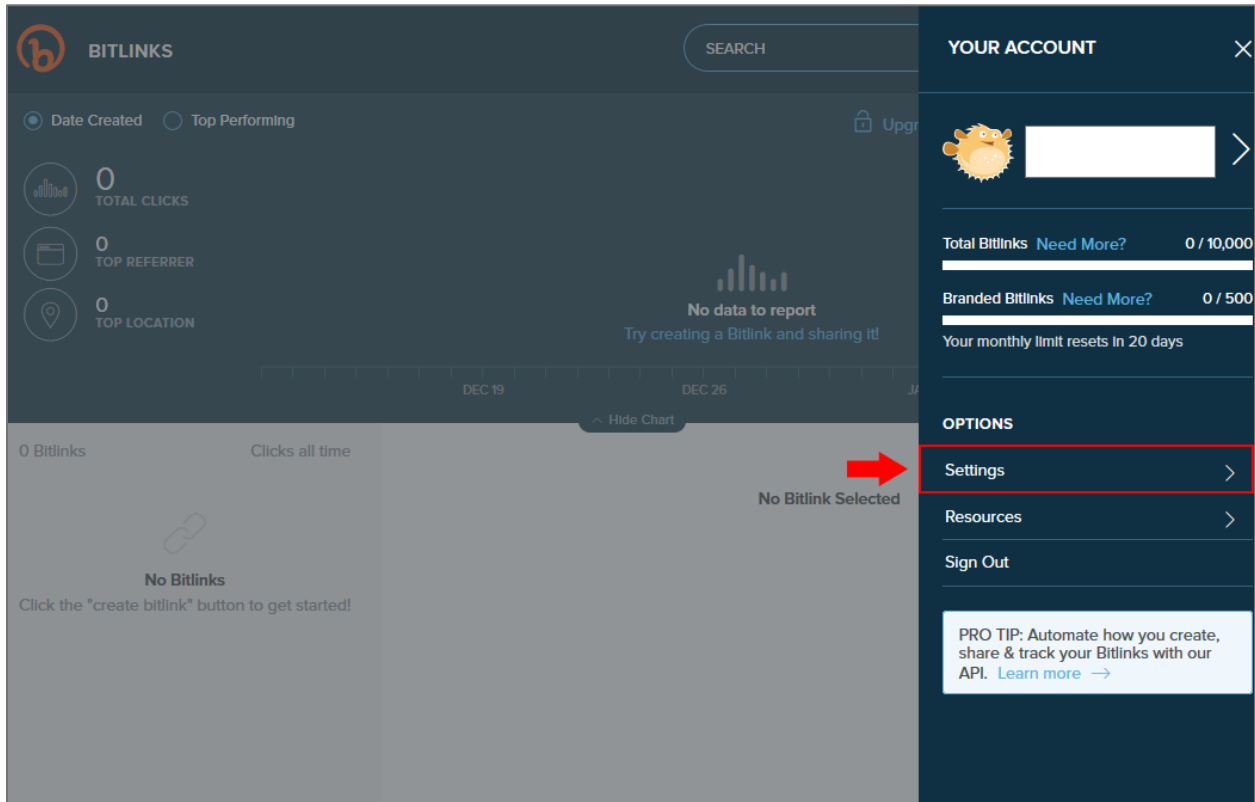

You will be redirected to your Bitly account and you will see "ACCOUNT VERIFIED" message.

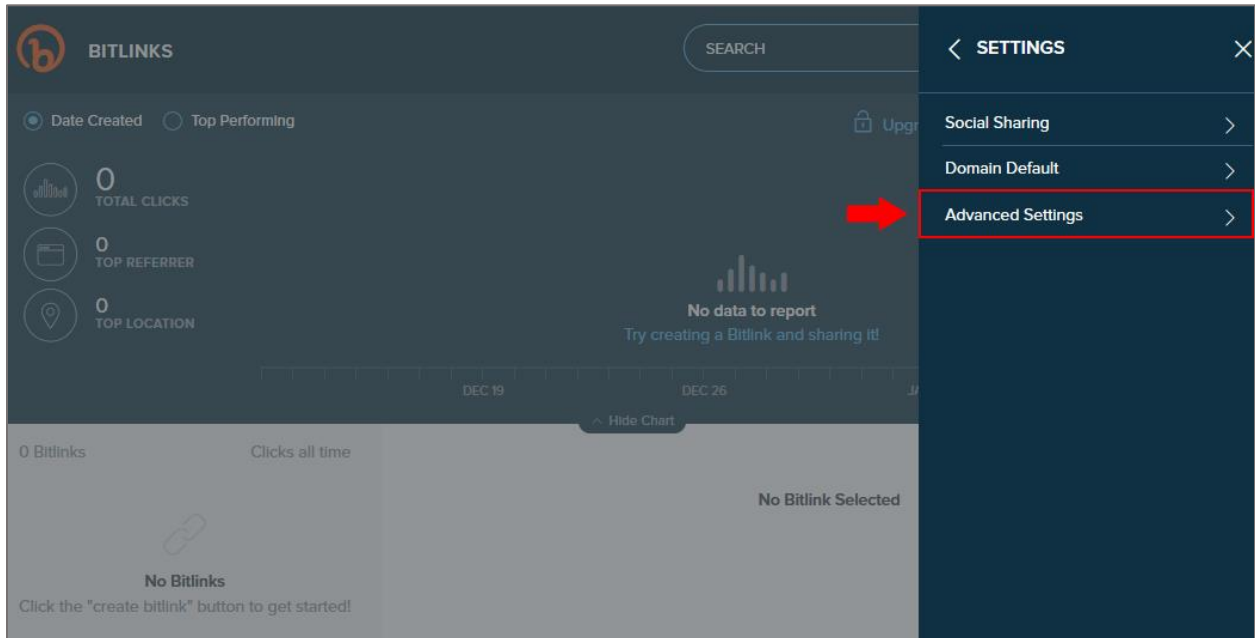

Next, click on the "Settings" icon in the top-right corner.

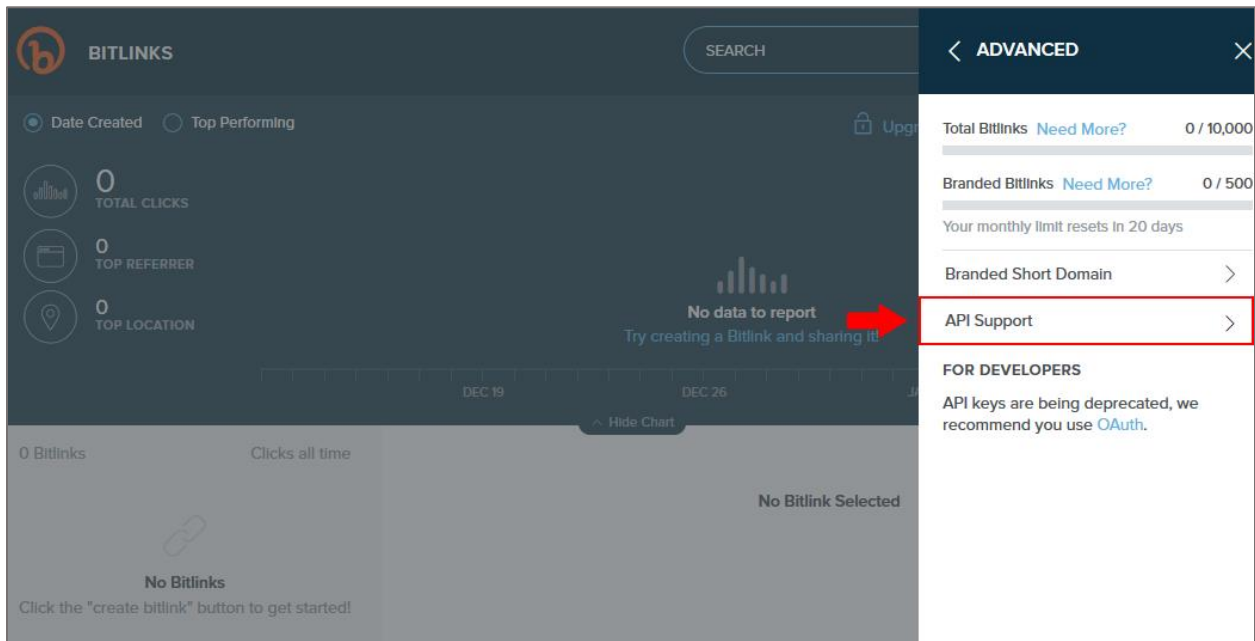

Click on "Settings" link.

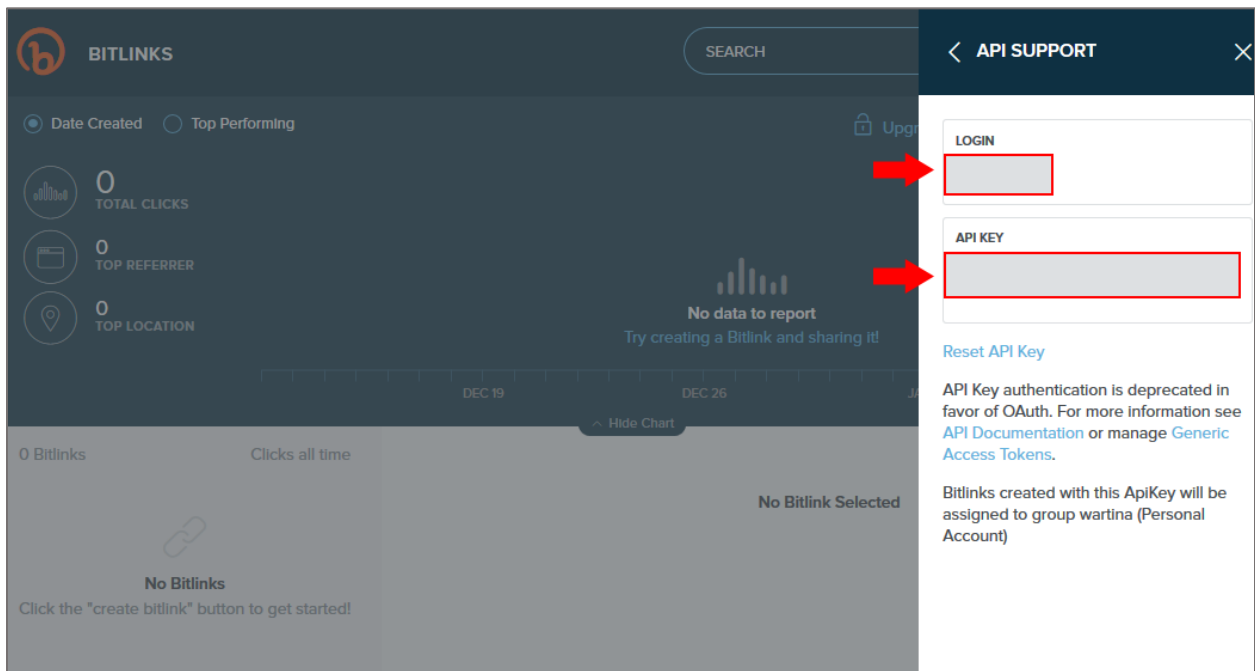

Click on "Advanced Settings".

Click on "API Support".

Copy your username from the "LOGIN" field and your API key from the "API KEY" field.

Now go back to your WSPprofits account and paste your Bitly username and your Bitly API key in the provided fields and click on "Save Details" button to save your Bitly details.
